Beijing

Dear Ms. Liang Nan,

Department of State Policy in Civil Aviation of the Ministry of Transport of the Russian Federation presents its compliments to the Department of International Affairs of the Civil Aviation Administration of China and has the honor to inform about the following.

Currently, within the framework of a bilateral agreement between China Post and the Post of Russia and in order to strengthen cooperation and development of a cross-border market, there is an urgent need for the commencement of cargo transportation between Russian airports and **Hangzhou (HGH)** and **Changsha (CSX)** airports in China.

Due to the fact that the above-mentioned points are not included in the table of routes for all-cargo carriers, we ask you to include them into the table of routes instead **Hefei (HFE)** and **Ningbo (NGB)**.

We suggest that this letter and your positive response will be an agreement between the Aviation Authorities of both countries on this issue.

We hope for your positive response.

The Department of State Policy in Civil Aviation of the Ministry of Transport of the Russian Federation avails itself of the opportunity to renew to the Department of International Affairs of the Civil Aviation Administration of China the assurances of its highest consideration.

Yours faithfully,

Svetlana Petrova
